Skills and Experience: Hello,

I'm a digital sculptor and 3D illustrator.

I work as a freelance illustrator for events agencies and also,

This used to be my main job.

But now, I'm creating 3D images for adults, having a patreon to pay the bills for more than a year.

I'm sculpting characters but also props.

I have no experience in gaming but a lot of 3D work. And I'm flexible, ressourceful and eager to learn,

I'm a french guy, but speaking english, I'm 42.
