Interested in: Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I am a college student studying Computer Science. I have played Morrowind on the original Xbox came out and since bought it for PC and have always loved it. I have worked with map editors for the original Far Cry and some experience with the map editors in the CS:GO SDK.

I do System Admin work for my local University and have a familiarity with scripting along with coding experience with C++ and Java. I have a passion for Morrowind and would like to be a driving force to help make

Skywind become a completed project.
