

Skywind Application

TESRenewal Username: JonStarnes

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: Coding/Scripting/Mechanics, Landscaping, Quality Assurance, Metrics, Reference librarian

Level of Commitment: Moderately active

Skills and Experience: My experience started from learning R and Python for public health research and bioinformatics. From there I moved into learning other languages and development skills. I used online resources like Free Code Camp, Coursera, and Code Academy to learn new languages and practice. I also have some practical project based JavaScript experience.

My desire to learn is strong and I am motivated to gain more experience any way I can. Additionally, I've been a long time fan of the Elder Scrolls beginning when I first bought Daggerfall for the PC.

SUMMARY

Data Analyst: 3 years; Website Content Administrator: 2 years;
R statistical programming, Statistical Analysis Methods, JavaScript,
Python, SAS, SPSS
