

Skywind Application

TESRenewal Username: Kristopher Tadlock

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Coding/Scripting/Mechanics, Programming, development

Level of Commitment: Moderately active

Skills and Experience: I have a degree in computer science and am currently work as a software developer. My expertise is in primarily in database management systems and data analytics, but I am also fluent in web languages and web frameworks.

I don't know if the project has a use for me, but I would like to contribute as as a developer. If there are tools that could make the development of the project easier, better organized, or more efficient I would love to help.
