

Skywind Application

TESRenewal Username: Lightmare

Country of Residence: Sweden

Timezone: UTC +01

Interested in: Landscaping, Writing, General Design

Level of Commitment: Highly active

Skills and Experience: I have been a Dungeon Master in the past so I'm experienced when it comes to level and enemy design, I've also reworked the game system and rules so I have good sense for design. I'd say my strong point is creativity, I always end up pushing the boundaries of what can be done with what I'm working with. I've worked on one 14 week game project in connection with the school.
