Skills and Experience: I have around 2 - 3 year blender experience. I have experience in making weapons. I have made orcist and glamdring (see proof of skills 1) the materials are WIP though. I also so your weapons hub and saw that Dreugh Club was in red so I created it in blender in 10 minutes using the image from the wiki. Please dont judge to hard it was only a side on image. I have a 13GB of blender projects so I have a lot of experience creating various assets.
