TESRenewal Username: mistahyama

Email Address: mistahyama@gmail.com

Skype Username: mistahyama

Country of Residence: Sweden

Timezone: UTC +01

Interested in: Software testing

Level of Commitment: Somewhat active

Skills and Experience: I am currently studying a 1,5 year software testing program. I am interested in any level of testing but because of my limited programming skills i would guess that I'm more useful in system and acceptance testing.

I love The Elder Scrolls world and lore. I'd love to help you out, if I can.
