

Skywind Application

TESRenewal Username: Phantom

Country of Residence: United States

Timezone: UTC -06 (Central Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Highly active

Skills and Experience: I'm a programmer, the main programming languages I know are: Java, PHP, some C, some C++, moderate amount of C#.

I have begun looking into Papyrus due to wanting to better understand modding and to, ideally, participate in the modding communities I enjoy. (Fallout and The Elder Scrolls)

I've played around with the Creation Kit before, but have yet to produce anything that wasn't to learn some mechanics of it.
