

Skywind Application

TESRenewal Username: princeKhale

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I have knowledge and experience of C, Java, and a little Lua. I could pick up any other language with relative ease. I have dealt with data structures and some basic algorithms. Not sure if its relevant for this but I have worked with FPGA's and other hardware based things, so I have a sorta low level perceptive too.
