**TESRenewal Username:** Stedcookie

**Country of Residence:** United Kingdom

**Timezone:** UTC +01

**Interested in:** Sound Effects

**Level of Commitment:** Somewhat active

**Skills and Experience:** My name is Ed Kilcawley. I am a 16 year old student from the UK. I have worked mostly in sound design for live theatre working mostly on my school productions which have a relatively high level of quality. I have experience with some specialist sound equipment such as microphones and software for example the free DAW Audacity (but am willing to purchase software for this project as I would most likely use this outside of Skywind as well). I completed a course with the National Youth Theatre in Lighting and Sound specialising in Sound Design. I have also worked with my local youth theatre in sound design performing at the Orange Tree Theatre in the NT Connections program.
