Country of Residence: México

Timezone: UTC -06 (Central Time)

Interested in: Animation,Rigging

Level of Commitment: Moderately active

Skills and Experience: I recently graduated from a Bachelor on Animation.

I have experience working as a Animation Leader and Rigger for the short film "Tower Hassle". I was in charge on rigging and supervising the animation of the main character and props for the short film.

I worked with Wade Ryer on a rigging demo reel for a facial rigging workshop at CGSociety.

I've also worked on several motion graphics projects.

The main tools/software I use are: Maya, Zbrush, After Effects, Blender and TopoGun.
