TESRenewal Username: waynewagner

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Concept Art,Landscaping,Writing,Landscaping(Area Cluttering) and Misc Jobs

Level of Commitment: Moderately active

Skills and Experience: I have moderate experience with the creation kit, and thoroughly enjoy creating visually pleasing and relevant areas. For the last couple years I have been busy with family and school, but when I released my mods on Steam when I was active they received between 1,700 to 2,300 unique views each.

In terms of experience relevant to a team project, I have participated in the Global Game Jam, a event where teams build a game within a 48 hour work period.
