

Skywind Application

TESRenewal Username: Archer

Country of Residence: Greece

Timezone: UTC +02

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Highly active

Skills and Experience: C/C++ are my strongest and most used languages. Have also used C# for a simple game developed with XNA and Java for network applications / servlets.

My experience with scripting is with bash and python mostly for automatization of various linux related tasks and some text/data processing as part of computer architecture simulations.

My modding experience is limited to one weapon mod for arma3 . The link to the 3D model is below in the proofs of skills but i dont have in game footage, but it involved learning about arma's modding workflow and

scripting.
