Skills and Experience: hi guys.

Just to put it short. I'm a 3d artist with strong 2d background. As I demonstrate in my portfolio I do most of work in ZBrush. I use 3ds max for retopo, optimizing and UV unwrapping. Maya for rigging and animating. Xnormal for baking. Substance painter for texturing. Recently creating environments using World Machine. My last education stop; MA Animation.

Working on my own art projects at least 6h a day
