Skype Username: asgiov

Country of Residence: USA

Timezone: UTC -08 (Pacific Time)

Interested in: 3D Modelling

Level of Commitment: Somewhat active

Skills and Experience: While I am a 3D Artist mainly focused on Character Art, I would be happy to volunteer and help with the environmental aspects of your remake. I am fully knowledgeable in pipelines involving creating high-res sculpts > retopologizing, UVing, texturing and creating production ready pieces that could be used in your game mod. I only strive for the highest quality.
