

Skywind Application

TESRenewal Username: Azashia

Country of Residence: Canada

Timezone: UTC -05 (Eastern Time)

Interested in: Writing, Translator English/French

Level of Commitment: Moderately active

Skills and Experience: I've done a bit of 3D in the past, usually only messed around. I am fully fluent in both English and French (the second being my first language). I've never done anything in any official stuff and haven't ever been credited in my works as I never cared about it. I do have a sword I made, which I will post a link to in the Proof of Skills #1, albeit it doesn't help with the one thing I want to apply for, AKA translation. (The blade of the sword is indeed missing a half, I only noticed it after posting the model, and simply haven't taken the time to reupload with a mirrored blade.
