Skype Username: Jonathan.carpenter20

Country of Residence: United States

Timezone: UTC -06 (Central Time)

Interested in: Concept Art

Level of Commitment: Moderately active

Skills and Experience: I am a college art student currently studying to become a full time concept artist. I have a great interest in character design and am always looking to challenge myself with new projects. I have grown up playing with the Elder Scrolls games and my favorite game is Morrowind so it would be like a dream come true for me to be able to do concept art for this project.
