

Skywind Application

TESRenewal Username: bynn

Country of Residence: slovenia

Timezone: UTC +01

Interested in: Landscaping

Level of Commitment: Moderately active

Skills and Experience: I would like to help the interior landscaping department.

Attached to this post are screenshots of cave storage room I created in Skyrim CK. Currently the room is not navmeshed or connected to the exterior.

I understand how narrowness can affect pacing and how to use light to guide the players attention.
