

Skywind Application

TESRenewal Username: Craziwolf

Country of Residence: Australia

Timezone: UTC +10

Interested in: Sound Effects, Texturing, web development, menu design

Level of Commitment: Somewhat active

Skills and Experience: I am a graphic and web designer by trade and have owned and operated my own successful business for 6 years. I have advanced image editing and video editing skills with an intermediate knowledge of 3d modeling and a sound knowledge of audio editing eg (voice files) I have designed logos and websites all around the world but have recently closed down my business only running an alternative news blog now.
