

Skywind Application

TESRenewal Username: CuteZergling

Country of Residence: Romania

Timezone: UTC +03

Interested in: Landscaping, Voice Acting

Level of Commitment: Somewhat active

Skills and Experience: Skill : Creation Kit understanding .

Experience:

I made simple mods in Morrowind in my childhood , though they are not public since i didn't know about nexus back then (or it might not even existed).

When it comes to Oblivion and Skyrim, i worked on small castle mods / player homes / small experiments , all of them are not 100% finished and none of which are public.

Same story goes with Fallout 3 and New Vegas : small fixes , here and there , added /removed different objects , built myself a player home .

Voice Acting: Would like to try my hand at voice acting.

Experience : Nothing of true importance.
