TESRenewal Username: fm_lad

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: Coding/Scripting/Mechanics, 3D modelling and VA

Level of Commitment: Moderately active

Skills and Experience: University degree for web/mobile software development. Minor experience in c++(CLI mostly). Aside from schooling, I've play around with game maker studio, jMonkeyEngine/blender3d. I need a project to put on my CV that way I can transition from I.T. to a software development position.

I love morrowind and TES in general. I'm willing to try my hand at anything needed.
