TESRenewal Username: franzy7

Email Address: darknemex@gmail.com

Skype Username: Franzy7

Country of Residence: Italy

Timezone: UTC +01

Interested in: Voice Acting

Level of Commitment: Highly active

Skills and Experience: I'd like to voice act but not to record English quotes, in fact I'd like to help by translating the already existing quotes in Italian to let the game more world wide. I have never done voice acting recordings but my vocal chord allow me to scream like a ghoul or have a really deep voice
