

Skywind Application

TESRenewal Username: gage

Country of Residence: US

Timezone: UTC -08 (Pacific Time)

Interested in: Video Production/Editing/Trailer Direction

Level of Commitment: Moderately active

Skills and Experience: I am a highly skilled professional with 8 years of overall experience as a storyteller. Working in the film and video game industry as a Video Producer, Director, Video Editor, Writer, Motion Graphics Artist, Audio Designer, and Media Specialist, with 2 years of experience as a Creative Director. Working with clients around the world in telling stories by creating material ranging from award winning short films, featurettes, developer diaries, highly crafted internationally recognized original narratives, feature films, and viral video game trailers.

I have also worked with video game developers from around the world in creating professional video game trailers, several of which have gone viral

and catapulted some developers to worldwide fame.
