TESRenewal Username: GameForgePro

Country of Residence: United States

Timezone: UTC -06 (Central Time)

Interested in: Writing, Miscellaneous Tasks

Level of Commitment: Moderately active

Skills and Experience: I have some minor skills with a lot of features of the Creation Kit. Most recently, I have been doing quest making on my own time, and I am starting to enjoy it. I also know my way around the Creation Kit, and can lend a hand by sorting whatever files and applying things needing to be put in the right section.
