Skype Username: none yet, but i can craft un if needful

Country of Residence: currently United States

Timezone: UTC -05 (Eastern Time)

Interested in: Voice Acting, Writing

Level of Commitment: Highly active

Skills and Experience: i am swith effective at adopting and affecting sundry accents—those foremost what come to mind for the Elder Scrolls Skywind are 2 differant posh Imperial English accents for Altmeri males; me normal Northumbrian idiolect which could be used for the Skaal or some Imperial-reared Nords; and a soundboard which, when mingled with me voice, craft curious outcomes as in Vivec. i also have a mate—Sam—who is keen to help. he may not have the linguist talent, but he has already recorded a few bits for Bretons and Daedra. we both uploded some demos to YouTube which i am happy to share with yes. i

am also a skilled writer and planner, as i DM for me local Dungeons and Dragons hanse.
