Skype Username: jonathan.a.wood

Country of Residence: United States

Timezone: UTC -06 (Central Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I've done software development as a hobbyist for 22 years, professionally for 5. I'll be finishing a BS in Computer Science December 2016, and have extensive experience with OOP development, particularly in .Net, C++, and Java. I have a bit of experience with scripting, but not with OOP scripting. I am willing to learn Papyrus, but I have no experience with it right now. I've linked to my LinkedIn and Github pages for more details.
