TESRenewal Username: K.White

Country of Residence: USA

Timezone: UTC -05 (Eastern Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Highly active

Skills and Experience: I have started coding around 5 years ago. In that time I have learned many different languages. I have the most experience using C# and Xna. I also have know a list of around 5 other languages including Html, Css, and Javascript. I would still call myself a beginner programmer but I am comfortable with the basic principles of object orientated programming.
