Interested in: Sound Effects

Level of Commitment: Moderately active

Skills and Experience: I am a graduate of Recording Arts from Full Sail University, where my focus in the was on sound design, game audio, and audio post production. I haven't gained any professional experience in the industry yet, but am working on building up my portfolio. Through out my time at Full Sail I gained experience in recording and editing, and experience with SFX sound work from taking classes in game audio and post production sound for film.
