Interested in: Voice Acting

Level of Commitment: Moderately active

Skills and Experience: Nothing PROFESSIONAL but I have been practicing contorting my voice to do some Disney, Hank from King of the Hill, a few others. I have done something called Happy Appy for this group called the Purity Sinners before a falling out. I have linked a sample of it but the day I recorded that I was rather sick and having trouble making my normal "creepy" voice.

I can do voices from League of Legends characters like Twitch, Shaco, Garen, Jax, Graves, Twisted Fate, many others.

I am posting my YouTube channel where I post gaming stuff.

To the Level of Commitment, if you give me a task I will get it done. If you don't like the way I did it then tell me what you want changed and I will change it. I do love making voice so more work means more commitment. Less means less.
