TESRenewal Username: Kosmo

Country of Residence: France

Timezone: UTC +01

Interested in: Writing, Translating (French)

Level of Commitment: Moderately active

Skills and Experience: I'm an French English teacher who spent 3 years in the US and 5 more studying English. I plan on completing a Doctorate on translating in a few years. I have been doing translating jobs occasionally. This is less relevant, but as an avid gamer, seeing mistranslations always makes me cringe and as I have a light knowledge of professional game translating, this should be a good combination.
