Skills and Experience: I have been drawing for many years and have worked with a lot of different people on many small projekt. I can work both digital and with traditional hand drawing.

I am studying game design at the moment and i have worked on games before and i know the process of making small games. And it would be a wonderful experience for me to try working on a larger project.

I am also a huge fan of the elder scrolls game series and know a lot about

the univeres, characters and so on.
