Skype Username: megageeklizzy

Country of Residence: United States of America

Timezone: UTC -05 (Eastern Time)

Interested in: 3D Modelling, Concept Art, Writing, Texturing

Level of Commitment: Highly active

Skills and Experience: I have decent but modest skills at making textures from photographs and editing them with a digital tablet. I am also a decent concept artist, and I am very familiar with the Elder Scrolls universe, related lore, and the atmosphere and details of Morrowind and Skyrim. I am good at editing writing to be more grammatically correct and clear.
