Level of Commitment: Moderately active

Skills and Experience: Four year degree from a major U.S. university. I have worked as a technical writer and now as a content manager for the better part of five years. I have very strong editing and writing skills, although my writing experience is primarily professional and not creative. As a lifelong fan of Morrowind (and all Bethesda titles since), I am eager to help in any way possible to make Skywind a reality, including taking a stab at some creative writing. I would be happy to share some of the work I've done with my company, but in the interest of privacy would prefer not to include any links in this form--the image below is one writers will

appreciate! If you are interested in seeing some of my work, please contact me directly. Thank you!
