

Skywind Application

TESRenewal Username: Modest_Mike

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Coding/Scripting/Mechanics, Quality Assurance Testers and Report

Level of Commitment: Moderately active

Skills and Experience: *Summer Internship as Internal Quality Assurance and Tester for Greenrope CRM Business Systems: Tested edge cases, including specifics such as application consistency across web pages, aesthetic consistency and specific functionality. Other examples include multiple combinations of factors when testing texts, drop downs and other specifics.

*Currently pursuing a Bachelor's Degree in Computer Science at the California Polytechnic State University in San Luis Obispo. Halfway through my third year in my four year program. Familiar with Python, Java,

Assembly and C systems. Comfortable learning new programming languages and confident with object-oriented programming.

*Member of the Professional Interactive Media Industry (Gaming Industry). Senior Editor at MonsterVine.com where I've handled a number of news posts, critical reviews and previews. I've also hosted video, audio and streaming media on the platform. Through MonsterVine I have attended press conferences and expos within the gaming Industry (E3, EA Play, Other Preview Events).

*Have used and created very basic prototypes in Unity, Unreal Engine 4, Fallout 3 and 4 G.E.C.K Programs
