

Skywind Application

TESRenewal Username: Nadnbuds

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I am currently a student at University of California Riverside studying in computer science. I have a very strong understanding of c++ and familiarity in Java, and Python. I have also worked with the unreal engine a fair bit. Mostly I am hoping to be able to learn from the people on this project to aid in whatever I can
