

Skywind Application

TESRenewal Username: Nicholas

Country of Residence: The Netherlands

Timezone: UTC +01

Interested in: Sound Effects

Level of Commitment: Moderately active

Skills and Experience: I have some basic knowledge of FL studio and have created some project for starting games. I can master and mix sounds. I also can export sounds in wave, OGG, MP3 and MIDI. I'll link my Youtube channel in the proof of skill although there aren't any Sound effects. I does give you some insight in what I can create.
