TESRenewal Username: OBOROTEHb

Country of Residence: Russian Federation

Timezone: UTC +07

Interested in: Concept Art

Level of Commitment: Moderately active

Skills and Experience: Work concept artist in game development for about 2 years. I can draw everything: characters, environment, icons, illustrations. I know how little texture (3D Max, 3D Coat), worked a bit with zBrush (not professional). It wants to participate in the project. Sorry for my English.
