

Skywind Application

TESRenewal Username: Oppenheimer

Country of Residence: Indonesia

Timezone: UTC +07

Interested in: Landscaping, Decorator/Interior Designer

Level of Commitment: Somewhat active

Skills and Experience: I have a creation kit landscaping and decorating skills. I do not like leaving a landscape that doesn't have the details or bland. My attention is to make the world feel alive. I also have a little bit experience in art, but that's not my focus. I have been a very passionate Elder Scrolls fan. I really want to get involved in this project, and also I want to get the experience of working and learning on developing games. I will be Active after the 13th of May. Please consider my application
