

Skywind Application

TESRenewal Username: Orsinium

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: Music, Sound Effects, Voice Acting

Level of Commitment: Moderately active

Skills and Experience: I have four years experience as an audio engineer and over eight years as a musician. I am adept with most digital audio workstations and sound editing software.

I have a bachelors degree in recording arts from FullSail University. I interned at FullSail Universities Dubbing Stage where my duties included creating and editing sound fx and dialogue to picture for various student films and a feature film Frank Vs. God. Since then I have been a freelance engineer recording myself and other bands in my home studio.
