

Skywind Application

TESRenewal Username: pdxvoiceteacher

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Music, Voice Acting

Level of Commitment: Moderately active

Skills and Experience: I own a production studio for voice over and music. What I can offer is of pro quality. I have experience in Ambient as well as Action Cues. I have scored for stage and screen as well as Video Games. I My work has been used in a number of games ranging from student programmers to professional companies like Guys from Andromeda.

I can master audio as well and have some experience in audio restoration. I also have experience performing on stage and some limited screen work. I am a vocalist as well with a multi/genre background but my bread and butter was opera.

I hope you find me an asset to this project as Skyrim has given me countless hours of escapist pleasure.

Feel free to contact me pdxvoiceteacher@gmail.com with any further questions.
