TESRenewal Username: piranhabears

Email Address: piranhabears@gmail.com

Skype Username: PiranhaBears

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: 3D Modelling

Level of Commitment: Moderately active

Skills and Experience: I've used blender for around 7 years (started back in the late 2.4 days), and have used it as a hobby ever since. I consider myself above average for strictly modeling, but my texturing skills (Photoshop) can definitely use some work.
