

Skywind Application

TESRenewal Username: Raisthewolf

Country of Residence: US

Timezone: UTC -05 (Eastern Time)

Interested in: 3D

Modelling,Coding/Scripting/Mechanics,Coding/Scripting/Mechanics

Level of Commitment: Moderately active

Skills and Experience: I have very limited skill in 3D Modeling but am currently in the process of learning how to use Blender. Otherwise, I'm a computer science major with a decent background in Java and C#. I'm also learning C currently. I haven't done much work with Papyrus, but from what I've seen it shouldn't be too hard to pick up.
