Country of Residence: United Kingdom

Timezone: UTC (00)

Interested in: 3D Modelling, Texturing

Level of Commitment: Highly active

Skills and Experience: Hello dear employer. My name is Ruslan Eldarov(Character Artists).

I have big passion about 3D animation, I want to bring something from me into this industry,

I want make people believe into the art that they see, for example when you look at something and you feel like you're there, or when you play the game, and you feel the realism.

Skills and Competencies:

- *3D artist for videogames industry
- *Advanced 3d modelling (3ds Max)
- *Advanced digital Sculpting (Zbrush)
- *Advanced texturing
- *Able to follow and adapt to stylistic guidelines set by the LeadArtist/ArtDirector, both cartoonish and realistic look
- *High-poly to low-poly workflow for next gen asset production
- *Characters, environment, props and vehicles – depending on the specific project and tasks
- *Communicate effectively and pro-actively with other team members and with other departments
- *Demonstrate a positive, adaptive attitude and effective time management skills
