

Skywind Application

TESRenewal Username: Sanaxova

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Concept Art, Social Media Marketing

Level of Commitment: Moderately active

Skills and Experience: Currently enrolled for an Associates of Visual Communications where I am learning mostly about graphic design. Skilled with drawing, am exploring photography, painting, web design, and video editing and production. Formed, and am President of, the current Art Club at Edmonds Community College in Washington State. I have been a guest artist for the beginning Drawing class multiple times to introduce Figure Drawing. Am currently working on a group project to create a hypothetical design that represents RCW 46.61.065 Flashing Signals, and can provide examples of the design process. I have a great desire to help with Skywind in any way possible.
