

Skywind Application

TESRenewal Username: sarahnvanweeren

Country of Residence: The Netherlands

Timezone: UTC +02

Interested in: Music, Sound Effects, other audio related stuff and maybe even voice acting

Level of Commitment: Moderately active

Skills and Experience: I study music production so i'm familiar with synthesis and all kinds of production techniques.

If I can work for you guys I can use this as legit internship hours, all I ask in return is a signature and filling in some simple yes/no review points about my performance on a form I get from my school.

(there isn't much recent work on my soundcloud but I have included it below)
