Skype Username: tylerash98

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Writing

Level of Commitment: Highly active

Skills and Experience: I've worked on a couple screenplays in my spare time; mostly shorts, though I'm currently 70 pages into a full length western. I also won scholarship money for an essay I wrote on vaccines in high school. Writing's always been my passion. I'm happy to work on whatever is needed.
