Country of Residence: Spain

Timezone: UTC +01

Interested in: 3D Modelling, UV mapping

Level of Commitment: Somewhat active

Skills and Experience: 1st class Hons Degree 3D Games Art, University of Hertfordshire.

Fan of Elderscrolls Franchise.

Free time.

Great with Maya, have used creation kit.

Would like to just do some 3D modelling from some concept art, I like baking and UVing.

Can texture etc

Would like to do a piece every now and then so i might not be spittin asset out after asset but ill be around and aim to quickly finish what I do start.
