

Skywind Application

TESRenewal Username: Purple Tess

Country of Residence: United States

Timezone: UTC -08 (Pacific Time)

Interested in: Sound Effects, Voice Acting, Sound Effects

Level of Commitment: Highly active

Skills and Experience: I have intermediate skills in sound editing and video editing. I have beginner skills in Foley recording and editing. I am skilled at using Audacity to edit sound as well as Avid Media Composer to edit both sound and video. I majored in film in college and have worked on short student films in various roles with most of my experience involving recording and editing sound as well as editing trailers for the films.
