Skills and Experience: Bachelor student in Information Technology, specialization programming, starting my sixth and final semester in January 2016. Experience from Java, C, C#, Android development, simple HTML with CSS & SASS. Currently doing several small projects within the Arduino community here in Oslo, Norway. Next semester is a busy one with working for a business and school at the same time, but would love to participate in this project. Cat picture in link, I am not the owner.
