

Skywind Application

TESRenewal Username: SunlitAudio

Country of Residence: United States

Timezone: UTC -05 (Eastern Time)

Interested in: Music, Sound Effects, Voice Acting, Vocal Chopping

Level of Commitment: Moderately active

Skills and Experience: My biggest Skills are Composition, Production, and Sound Design.

I am a proud owner of FL Studio.

I've been Using FL Studio for 9 years.

I produce electronic music under two aliases, JTVX and FANE.

I also produce classical pieces but i do not have my works for those online yet. but I will soon.

I am also starting a Website were I can showcase all of my works; called Sunlit Audio.

I also feel I could be a part of the voice acting department although the only experience I have is messing around with accents on my spare time

for fun.
